TRAILSIDE METROPOLITAN DISTRICT NO. 3
2026 BUDGET MESSAGE
SUMMARY OF SIGNFICANT ASSUMPTIONS

Services Provided

Trailside Metropolitan District No. 3 is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act and was formed in 2018. The District was established in the Town of Timnath, Colorado consisting of approximately 158 acres. The District was organized to provide Public Improvements and limited operation and maintenance services within and, if pursuant to an Approved Development Plan, without the boundaries of the District.

The District has no employees at this time and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

In preparing the 2026 budget, the following goals are foremost for the District:

- Provide the level of operational support necessary in order to maintain the District's compliance with state statute.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor as of January 1 of each year. The levy is set by December 15 by certification to the County commissioners office. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes the District's share will be equal to approximately 4% of the property taxes collected.

The Division of Local Government ("the Division") has developed technical assistance resources to assist taxing entities with the calculation of the property tax limit available online here (https://dlg.colorado.gov/budget-information-and-resources). Please understand that the Division has no statutory or administrative role in calculating or enforcing the property tax limit, and each taxing entity's revenue limits and voter approval history may be unique. The technical assistance resources provided by the Division with regard to the property tax limit are not definitive and not legal advice. Taxing entities may choose to calculate the property tax limit with a methodology that is different from the methodology presented in the Division's technical assistance resources. The Division always recommends that taxing entities consult with an attorney in order to understand and apply the various statutory and constitutional revenue limits that may apply to that taxing entity.

NOTE: ALL LEVIES MUST BE CERTIFIED to the COUNTY COMMISSIONERS NO LATER THAN DECEMBER 15.
